GDV Consultancy

We take a fresh approach to GDV consultancy which allows us to provide house builders with a clear and concise report.

LEAR Land & New Homes' extensive experience in the new homes market place has allowed us to develop an effective planned approach that secures accurate and relevant research.

We provide predicted net sale revenues 'by plot' or 'by house type', net sale price schedule within £ per sq ft/m format. Our transparent process gives a clear pathway to how the figures have been calculated.
